

# The Tenth Annual Vermont Maple Open House Weekend

The Tenth Annual Vermont Maple Open House Weekend will be held at sugarhouses throughout Vermont, March 19 and 20. The Open House Weekend is the public celebration of the maple syrup season in Vermont and an opportunity for the public to visit one or more sugarhouses throughout the state to learn about Vermont's first agricultural crop of the year. Activities during this free event will be different at each sugarhouse but will include the chance to watch maple syrup being made (weather permitting) and to sample syrup and other maple products.

Information about all of the participating maple syrup producers, including which of the two days they will be open and directions to their sugarhouses, can be found on [www.vermontmaple.org](http://www.vermontmaple.org), in the "2010–2011 Vermont Ski & Year-round Maple Syrup Guide," which can be picked up at any Vermont Welcome Center, or by calling the Vermont Department of Tourism & Marketing at 800-837-6668.

Not all sugarhouses are open all days; call ahead for boiling times and weather conditions.
